INT. OFFICE - DAY

BETTY

Linda.

LINDA

Hi.

BETTY

Last night was fun.

LINDA

Mm-hm.

BETTY

Uh, look, I just wanted to apologize.

LINDA

Apologize...?

BETTY

Well, for interrupting your date with Steve. I shouldn't have done that. And, I'm sorry.

LINDA

You know, Betty, when you told me that Steve had feelings for you... I thought it was just the typical weird crap that women do to each other. But last night I realized what you didn't tell me, and what's kind of irritating... is that you have feelings for him too.

BETTY

No, Linda, I mean, it's not like that.

LINDA

One thing you learn about people when you work here, Betty... it's usually what's *isn't* said that's the real story.
